Dear committee of RI Finance,

My name is Martin and I'm writing this letter to show my support to Sherry's ESL Class. I believe this program is a great opportunity for adults foreigners to learn English as a second language.

I started the program about 4 months ago and I and my entourage can tell how positive the impact this English Class is doing on me. My vocabulary and pronunciation have been improved. I feel more comfortable speaking with others. In other words, my English is getting better.

For that, I want to thank my teacher Sherry and the Committee of RI Finance for giving us foreigners this great opportunity to be part of the program and for helping us moving forward in the US.

Sincerely, thank you!

Martin Jerry Pierre.
